§ 1GB = One billion bytes when referring to hard drive capacity. Actual formatted capacity is less.

¶ In-home warranty is available only on select customizable HP desktop PCs. Need for in-home service is determined by HP support representative. Customer may be required to run system self-test programs or correct reported faults by following advice given over phone. On-site services provided only if issue can't be corrected remotely. Service not available holidays and weekends.

Not all Windows Vista features are available for use on all Windows Vista Capable PCs. All Windows Vista Capable PCs will run the core experiences of Windows Vista, such as innovations in organizing and finding information, security and reliability. Some features available in premium editions of Windows Vista--like the new Windows Aero™ user interface--require advanced or additional hardware. Check www.windowsvista.com/getready for details.

†† Certain Windows Vista product features require advanced or additional hardware. See <http://www.microsoft.com/windowsvista/getready/hardwarereqs.aspx> and <http://www.microsoft.com/windowsvista/getready/capable.aspx> for details. Windows Vista Upgrade Advisor can help you determine which features of Windows Vista will run on your computer. To download the tool, visit www.windowsvista.com/upgradeadvisor.

J.D. Power and Associates Certified Technology Service and Support ProgramSM, developed in conjunction with SSPA. For more information visit www.jdpower.com or thesspa.com.
